# WHOLESALE PRICE LIST

OF THE

## Jefferson \* County \* Nurseries,

FOR THE SPRING OF 1891.

THE G. J. CARPENTER CO., -- FAIRBURY, NEBRASKA.

(Successors to Carpenter &amp; Gage.)

### TERMS AND CONDITIONS.

TO THE TRADE:—In offering this Price List we wish to thank our many patrons for the kind favors shown us in the past, and would further say that with increased shipping and handling facilities, a larger and more complete stock, and competent help, we hope to do even better by you than we have in the past.

1st. Packing done in the most thorough manner in good boxes or bales for which we charge enough to cover cost.

2nd. Free delivery at railroad depot here, and at Kesterson, Nebraska. We take every precaution in packing and forwarding, but will in nowise be responsible for delay or damage to stock in transit.

3rd. Terms, five per cent. discount on orders from this list paid in full before shipment.

Parties wishing to pay cash in advance should state quantity of stock wanted early that we may estimate cost of packing. Orders from unknown parties must be accompanied by one-fourth cash; balance before shipment. Remit by draft, P. O. Order, registered letter or money by express—no private check.

VARIETIES.—We will supply varieties as far as possible, but reserve the right to substitute unless ordered to the contrary.

While we use all due precaution to have stock true to name, in no case will we be responsible should a mistake occur for more than the actual price paid for the stock.

Our office and packing grounds are only two blocks from the Grand Island depot.

A side track passes through our grounds and we load cars direct from the packing house. TO DEALERS:—We offer all the facilities found in the west, such as dealers' sheds and hydrants with hose for watering stock. When orders exceed \$100.00 we furnish tie, labels and tags free. Our charges for labor in billing out will be found moderate. Stock from other growers cannot be brought on our grounds to pack unless we are unable to supply the same, and then only with our permission.

Dealers are requested to carefully aggregate their orders, giving size or age per our list, that no delay or errors may occur in filling orders or making out bills.

Our shipping facilities are the best. We ship by three express companies and three different railroads—the B. & M. St. Joe. & Grand Island in connection with the U. P. and the Chicago & Rock Island.

Orders should be sent in early, as our stock is limited. Correspondence solicited. 5 trees at 10 rates; 50 trees at 100 rates; 500 trees at 1000 rates.

We want it distinctly understood that on a general bill of goods, such as dealers use, we will not be undersold by any firm west of the Mississippi river.

REFERENCES—The Goodrich Bros., Banking Company and First National Bank of Fairbury, Nebraska.

NOTICE—Would call special attention to our fine block of two-year-old apples and to our fine stock of white ash seedlings, of which we have the largest stock in the United States. We have also a fine lot of nursery grown shade trees of all sizes suitable for western planters.

January 1st, 1891. These prices are subject to change after February 1st, except on orders booked before that date. Special prices on large orders.

### STANDARD APPLE.

	PER 10	PER 100	PER 1000
